RHEUMATISM & THE PILES. September 10, 1846. Dr. Townsend—Dear Sir: My wife has been for seveal years afflicted with rheumatism. She has tried many different remedies to obtain some relief, but all to no purpose. She was finally induced, by seeing your advertisement, to give your Sarsaparilla a trial. We protured some of it from your agent (Mr. Van Buskirk)and it gives me pleasure to state that after using it she experienced great relief, and was in a very short time perfectly cured. I was also (together with a man in my employ) badly troubled with piles, and by using a small quantity of your Sarsaparilla, our complaint was com-pletely cured. I consider it one of the best of medicines, and would advise all who are afflicted to give it a trial. GARRIT GARRABRANT,
